

## Status of benefits upon termination

---

Below is a summary of your benefits coverage following termination of employment with Lam Research. If you have questions regarding this document or other related benefits issues, contact the Benefits Help Desk at [benefits@lamresearch.com](mailto:benefits@lamresearch.com) or call 877-291-9494.

### Medical, dental, vision, and EAP

Your current medical, prescription, dental, vision, and Employee Assistance Program (EAP) coverage will end at the end of the month in which you terminate employment.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), you and/or your covered dependents can continue coverage for up to 18 months from your termination date. You can continue your current medical, prescription, dental, vision, EAP, and virtual physical therapy coverage and your Health Care Flexible Spending Account. You can continue the same plans that you were enrolled in as an employee. You can select different coverage tiers (individual or family coverage) for medical, dental, and vision based on your individual needs.

PlanSource (Lam's COBRA administrator) will mail to your home address on file a COBRA packet that includes the COBRA notice, enrollment instructions, and COBRA rates. **To continue your benefits, you must enroll in COBRA within the time frame specified in your COBRA packet.** If you have any questions regarding COBRA coverage, contact the Benefits Help Desk at [benefits@lamresearch.com](mailto:benefits@lamresearch.com) or call 877-291-9494.

### Health Savings Account (HSA)

If you have an HSA because you are or were enrolled in a Consumer Directed Health Plan, the HSA belongs to you. You can continue to use the banking services of Optum Financial, but you will incur a monthly service charge. For more information, contact Optum Financial at 866-808-5214 or visit [Optum Financial](https://www.optumfinancial.com). Once terminated, you will no longer receive the company HSA contribution.

### Flexible Spending Accounts (FSAs)

If you are participating in an FSA, you will continue your contributions on a pretax basis through your termination date.

**Health Care FSA only:** You have 90 days following your termination date to request reimbursement for eligible expenses incurred through your termination date. If you have an available balance in your account and enroll in COBRA, you can continue your Health Care FSA benefits through the end of the calendar year. You can't claim FSA expenses incurred after your last day at Lam unless you enroll in COBRA.

**Dependent Care FSA only:** If you have an available balance in your account and do not have expenses to submit for reimbursement, you can continue to incur eligible expenses after your termination date through the end of the calendar year. After that, you'll forfeit whatever remains in the account. You can submit claims through March 31 for expenses incurred through the previous December 31.

## **Health Advocate**

Your access to Health Advocate will end at the end of the month in which you terminate employment. You can continue to work with Health Advocate to resolve any case that was opened before your termination date.

## **Virtual physical therapy**

Your virtual physical therapy benefits through Sword Health will end at the end of the month in which you terminate employment, unless you elect COBRA medical coverage.

## **Voluntary supplemental medical benefits**

If you're enrolled in accident, critical illness, or hospital indemnity insurance, you will receive information from [MetLife](#) about how to continue coverage.

## **Life, accidental death and dismemberment (AD&D), short-term disability (STD or California VDI), and long-term disability (LTD) insurance**

Your life and AD&D insurance (and any dependent coverage), STD or VDI, and LTD insurance coverage ends on the day your employment terminates. You will receive information from [The Standard](#) at your home address about how to convert or keep your life insurance after your employment with Lam ends.

If you are receiving disability benefits at the time of your termination of employment with Lam, you may be eligible to continue to receive payments in accordance with the terms of the plan. Please contact TRISTAR at 844-610-1885 for STD or VDI benefits, or [The Standard](#) for LTD benefits.

## **401(k) plan**

You may be able to remain in the Lam Research 401(k) Plan and make changes to your investments; however, you will no longer be able to contribute to the plan after your termination date. Upon termination, Fidelity Investments will send you a package that will outline your options.

If your account balance is \$1,000 or less, a distribution is required. If your account balance is more than \$1,000, you can elect one of the following options:

- Leave your money in the plan with Fidelity to distribute later
- Request a direct rollover to an IRA
- Request a direct rollover to another employer's plan
- Have your account balance paid to you, subject to 20% income tax withholding and possible penalties. The distribution is taxed in the year you receive it, unless you roll over the funds within 60 days to an IRA or another qualified retirement plan.

Due to possible adverse tax consequences, consult with your tax advisor regarding your options. If you currently have a loan outstanding from your 401(k) account, you can contact Fidelity to continue loan repayments directly through Fidelity or pay off your loan within 90 days after your termination date. Failure to do so may require your unpaid loan balance to be treated as a taxable distribution, and additional penalties may apply. The remaining balance in your account will be processed according to the distribution option you choose. For more information, contact Fidelity at 800-835-5095 or visit [401k.com](http://401k.com).
